NRO REVIEW COMPLETED

2 July 1963

MEMORANDUM FOR: Comptroller

SUBJECT : FY 1964 NRO Funding

REFERENCE : [] (Attached)

1. The referenced cable indicates a possible intent by the NRO to fund Program B (CIA) on a quarterly basis. A more precise definition of their modus operandi is required. If an automatic quarterly transfer of funds on a 1080 basis for the total program is envisaged, then I see no problem. However, if a quarterly rejustification of the whole program prior to release of the next quarterly funds is intended, this is an entirely different matter.

2. It is requested that your Office inquire into this matter and provide information and guidance to the Agency on proper procedure. As you may recall, Dr. Scoville had been given positive assurance by Dr. McMillan that we would be funded by line item for the entire FY without interim justifications.
